

PIC/D-110-59

5 June 1959

MEMORANDUM FOR: Ch/MED
Ch/TIED
Ch/DMD

SUBJECT: PIC/JR-1001/59

This office has noted with interest the publication of the first non-system report in 1959. It is further understood that this report was produced on a 'crash' basis. All participants are to be commended for the fine appearance and overall quality of the publication. In the opinion of this office, JR-1001/59 represents continued effort by PIC personnel in developing joint reporting effort and improving the quality of our publications.
